# **A COURSE IN MIRACLES**

*Mind training in practical spirituality for the 21st century*

A practical weekend of understanding and experience of true communication. Deepen your spiritual journey through practical application of a mind training that shifts the mind from lower order ego concerns to the empowerment of thinking with Spirit and the Mind of God.

**A Course in Miracles removes the blocks to Love's presence**

Explore a weekend of active use of the lessons, text & teacher's manual. Clearly led meditations using A Course in Miracles to deepen and reveal yourself to yourself ... with music and silence. Freedom to ask questions and express your joy and inner unfolding.

*"I really appreciate the way Margo has helped me understand where A Course in Miracles fits in the context of New Thought —she breaks it down and makes it clear for us. It's rare to find a teacher who is so authentic and transparent in her own spiritual walk; what she teaches, she embodies."*
